

Three tips for combating misinformation about vaccinations:

- 1 Address common misconceptions without repeating them
- 2 Share the facts about vaccinations
- 3 Provide information from credible sources like the CDC, the U.S. Department of Health and Human Services (HHS), or the American Lung Association

Lung.org/vaccines

With questions, or for help in finding vaccination locations, talk to our experts at the American Lung Association's **Lung HelpLine** by calling **1-800-LUNGUSA**.
